#### Murder Mystery

*"The year is 1921 and the once affluent Lord Edwards invites you to Pentille Castle, built to celebrate the end of the great war. It is a place for the rich and famous to gather and anybody who is anybody will be there including the loud and brash Rosaline Warner.*

*Anything you may need then don't hesitate to ask friendly hotel manager Alan Cooper and his staff.*

*Will there be any trouble during service? What exactly does Rosaline want and at what cost? the place where anything can happen...even murder."*
